

FIRST SHIRLEY SCOUT GROUP JOINS TLC TO RAISE MONEY WITH BIRMINGHAM'S BIGGEST LOTTERY

First Shirley Scout Group have joined Birmingham's biggest lottery to help raise more funds – and make giving more fun. TLC Lottery has already raised more than £1.6 million for some of The West Midlands' best-known good causes.

£2000 is paid out each week in prize money, with an amazing jackpot of £1000! For as little as £1 a week you get the chance to take part and be one of many lucky winners, whilst supporting **FIRST SHIRLEY SCOUT GROUP**.

How does it work?

We are asking our members and supporters of Scouting to play the £1 a week game, which will raise money for both First Shirley Scouts and 3 other important local charities. We will receive 45p for each entry into the draw, and another 45p will be allocated between:-

- Acorns Children's Hospice;
- Birmingham Focus on Blindness, and
- Birmingham St Mary's Hospice.

The remaining 10p will help build up a prize jackpot and run the scheme. More details on

Please show your support for Scouting in the area & join today and we will receive our allocation of the money directly each month.

The lottery works like Premium Bonds, where every player has a personal number. Each week a computer randomly picks more than 100 winners, who can receive anything from £1,000 cash to a teddy bear wearing one of TLC's T-shirts.

How does playing help Scouting?

For every **100** people that take part for a year we will raise **£2,340**. This money will go towards supporting the Group members of the Jamboree 2007 Contingent and after the Jamboree will support the development of Scouting at First Shirley.

The Group Executive would be extremely grateful if you support our fundraising events by filling in an application form and joining the TLC lottery – and help other local charities at the same time.

There are additional forms to pass over to friends and family if they would also like to take part. The more the merrier! – and this will help us in our fundraising target – a bit easier than washing cars on a cold, dull day!!

Applications can also be by telephone and online by visiting our website at 1stshirley.org.uk.
